It could be your mom... It could be your dad...
But it was me.

"Hi, I'm Rick,

A severe infection last year left me with significant health challenges. Thankfully I am comforted and cared for by the warm expertise of Eagle Ridge Hospital's staff and physicians. It's [#myeagleridge](#) and they're with me every step of the way."

Every day our friends, neighbours and loved ones are cared for at Eagle Ridge Hospital; from cancer to orthopedic surgeries, diagnostic tests, rehabilitation and emergencies. Please give generously and bring new equipment, technology and other greatest needs to your hospital.
