Provincial and Territorial Smoke-Free Legislation **Nunavut**

| Name of logislation | Tobacco Control Act (acc table helevy for |
|------------------------------|--|
| Name of legislation | Tobacco Control Act (see table below for Environmental Tobacco Smoke Work Site Populations) |
| Date in force | Environmental Tobacco Smoke Work Site Regulations) |
| | • May 31, 2004 |
| Workplaces | Smoking prohibited in many workplaces |
| | Smoking permitted in designated smoking hotel rooms |
| | by registered guests and their invited guests |
| | Smoking permitted in designated smoking areas in |
| D | elder homes or other premises that are prescribed |
| Restaurants | • Exempt |
| Casinos, bingos, etc. | Unclear—not explicitly mentioned |
| Bars | Exempt |
| Public places | Smoking prohibited in all enclosed public places that |
| | are also workplaces |
| Outdoor provisions | Smoking prohibited within 3 metres of any entrance |
| | or exit of an enclosed workplace or public place, |
| | except in an enclosed shelter designated for smoking, |
| | provided the smoke does not come into contact with |
| | people entering or leaving the workplace |
| | Smoking prohibited within 15 metres of any entrance |
| | or exit of a school |
| Provision for municipalities | • Section 15 of <i>The Tobacco Control Act</i> states that if |
| | another act, regulation or bylaw conflicts with this Act, |
| | the provision that is the most restrictive prevails |
| Summary | On its own, this legislation is weak for protection |
| | in indoor workplaces and public places as it |
| | exempts bars and restaurants |
| | Legislation is also weak for outdoor protection— |
| | includes entrances and exits yet allows for designated |
| | smoking areas within the 3 metre buffer zone; could |
| | be strengthened by the inclusion of patios, school |
| | grounds, playgrounds, recreational fields and buffer |
| | zones around air intakes and windows that open |
| | However, together with the worksite regulations State State |
| | listed below, indoor protection in workplaces and |
| | public places is strong |

| Name of legislation | Environmental Tobacco Smoke Work Site Regulations (See the 2.25 of the Section Act) |
|------------------------------|---|
| | (Section 25 of the <i>Safety Act</i>) |
| Date in force | • May 31, 2004 |
| Workplaces | Smoking prohibited in virtually all enclosed |
| | workplaces |
| | Designated smoking rooms (DSRs) permitted where |
| | workers or others live within a work site |
| | Designated smoking areas (DSAs) permitted in |
| | underground mines where workers cannot get to the |
| | surface during entire shift |
| Restaurants | Smoking prohibited |
| Casinos, bingos, etc. | Smoking prohibited |
| Bars | Smoking prohibited |
| Public places | Smoking prohibited in all enclosed public places that |
| | are also workplaces |
| Outdoor provisions | Smoking prohibited within 3 metres of any entrance or |
| | exit of an enclosed workplace (if the area is owned or |
| | controlled by the employer), except in an enclosed |
| | shelter designated for smoking, provided the smoke |
| | does not come into contact with people entering or |
| | leaving the workplace |
| Provision for municipalities | Not applicable |
| Summary | Legislation strong for protection in indoor |
| | workplaces |
| | Legislation weak for outdoor protection—could be |
| | strengthened by removing designated smoking areas |
| | within the 3 metre buffer zones of entrances and exits, |
| | prohibiting smoking on patios and creating smoke-free |
| | playgrounds and recreational fields, as well as buffer |
| | zones around air intakes and windows that open. |
