Smoking brombiled on par and restaurant ballos
Smoking prohibited within 5 m of outdoor bar and restaurant patios Smoking prohibited within 5 m of doorways, air intakes and operable windows of workplaces and public places Smoking prohibited on school grounds, including post- secondary institutions (see notes section)
Smoking prohibited in a motor vehicle with children under the age of 18 present
Section 15 allows municipalities to pass bylaws, and the more restrictive provision prevails
The <i>Smoke-free Places Act</i> brings the Yukon Territory to the fore in Canada regarding protection from SHS, making it a national leader. <b>The Act is strong regarding workplaces and public</b> <b>places both indoors and out</b> . This legislation sets a national precedent by

## Notes

Yukon's *Smoke-Free Places Regulation, 2009* came into force on May 14, 2009. The regulations stipulate a 5 m buffer zone around doorways, operable windows and air intakes for all workplaces and public places. The regulations indicate that the definition of a doorway includes entryways under roofs, awnings and other similar structures, which can be wholly or partially protected by one or more walls, fences, or other structures that could restrict air circulation. In addition, smoking is not permitted within 5 m of outdoor patios.

Yukon (2008) is the 2<sup>nd</sup> province/territory in Canada to have passed smoke-free vehicle legislation, following Nova Scotia in 2007. Since that time, 8 other provinces and territories have followed suit: Ontario (2008), British Columbia (2008), New Brunswick (2009), Prince Edward Island (2009), Manitoba (2009), Saskatchewan (2010), Newfoundland and Labrador (2011) and Alberta (2012). This brings the total to 10 provinces and territories that have passed legislation protecting children from second-hand smoke in private vehicles.

Yukon's smoke-free legislation and regulations place the Yukon Territory at the fore of second-hand smoke protection in Canada. Congratulations to all who had a hand their creation and adoption.
